FREE Teen Triple P Seminar Series
The Power Of Positive Parenting

Children and Young People’s Mental Health is pleased to offer parents of young people this evidence based seminar series. There are three 2 hour seminars in the series which will be held on 3 consecutive Wednesday evenings at Erina Community Health Centre. You can attend just one or all three seminars.

The program does not address the management of mental health problems in teens, however many parents have found the program useful in reducing the everyday conflict and stress associated with parenting teens.

DATES:  
11TH MARCH – RAISING RESPONSIBLE TEENAGERS
18TH MARCH – RAISING COMPETENT TEENAGERS
25TH MARCH – GETTING TEENAGERS CONNECTED

6PM – 8PM

VENUE:  
ERINA COMMUNITY HEALTH CENTRE (169 The Entrance Road, Erina 2250)

PRESENTERS:  
Ruth Phelan and Jo Heap

BOOKINGS ARE ESSENTIAL:  
To book into our seminars or for more information, please phone Children & Young People’s Mental Health on 4328 7350 and ask for Ruth or Jo
ANZAC Centenary commemoration at Lake Munmorah funded

St Brendan's Catholic Primary School in Lake Munmorah has received grant funding of $9,469 for ANZAC Centenary commemorations.

St Brendan's will establish a remembrance wall and garden at the school to commemorate the 100th anniversary of the Gallipoli landings.

The project will be ready in time for ANZAC Day in April.

"The staff at St Brendan's have put a lot of thought into their project to commemorate the ANZAC Centenary," said Member for Shortland Ms Jill Hall.

"It will feature several large framed portraits of local diggers who served in World War One.

"These will form a Remembrance Wall in the school hall and will be supported by a multimedia display and student art exhibition.

"A remembrance garden will also be established to honour World War One.

"A commemorative ANZAC book will also be produced for all school families, local RSL members, families of local diggers and other community members.

"The project is a great way to involve the students and teach them more about ANZAC history and the ANZAC spirit.

"It will also help them to put a human perspective on the events and impacts of World War One.

"It will be a lasting legacy for the school and also for the wider community.

"Staff at St Brendan's have been working with my office to apply for funds under the ANZAC Centenary Grants Program.

"A project can go ahead," Ms Hall said.

St Brendan’s Catholic Primary School principal Luanna Fletcher said: “This new project is very exciting for our school.”

"We are very grateful for the Government grant and we are really looking forward to getting the project underway.

"Work will start this week and students, parents, teachers and the wider community will be able to watch as the project takes shape over the coming months.

"It is very humbling to have this opportunity to be part of such a significant event.

"Our students will be involved in helping to create the garden and the multimedia displays for our remembrance wall.

"They will also produce involvement in this project for a long time into the future.

"When the project is complete and we hold our special commemoration for ANZAC Day in April, we will invite local RSL members, families of local diggers and other community members to join us.

"That event will not only mark the 100th anniversary of the Gallipoli landings, it will also value the school’s involvement in a significant piece of Australian history.”

The ANZAC Centenary Grants Program aims to help local communities undertake local projects to commemorate the service and sacrifice of Australian servicemen and women in the First World War.
