

Catholic Schools Week

Monday 4 March 2019 - Friday 8 March 2019

Catholic Schools Week will involve the communities of all Catholic primary and secondary schools across NSW and the ACT.

First and foremost, Catholic Schools Week is about celebration!

One of the major objectives of Catholic Schools Week is to raise public awareness of the strengths of Catholic schools and highlight the significant contribution the Catholic education sector makes to our state and nation.

Catholic Schools Week is an opportunity to share with the broader community the great things that take place in our schools every day.
