NOT TO BE MISSED! “KEEPING YOUR CHILD SAFE ON LINE”

Dear Parents and Carers

On the Thursday, 28 March at 6:00 pm St Brendan's will be hosting a workshop facilitated by Kate Battley from CYBER SAFETY EDUCATION AUSTRALIA. The session will focus on “*Keeping your child safe online*”.

Kate Battley is a leading expert on child safety and the internet. Some of the issues Kate will be covering are:

- Why do we need to protect our children on the internet?
- What risks are there to children?
- Discussion of various apps, online programs and online games that can make children vulnerable.
- Where can I get assistance if something does go wrong?
- Advice for parents of children being bullied or who are bullying others on the internet.
- What can parents and carers do to keep their children safe.
- Problematic internet use and gaming issues.

By attending this workshop you have the opportunity to learn strategies you can use to respond to negative online behaviours and keep your child safe from online predators.

All parents and carers are invited to attend. There will be a light supper served on the evening. Please register your attendance via the google link for catering purposes.

Registration Google Form: <https://goo.gl/forms/4AP7zwbMHAhdtVJ2>

We hope lots of parents and carers are able to attend this very informative and important workshop.

Yours faithfully

Rebecca Leahy
Family Liaison Officer
