Do 10 star
jumps

Do a hula dance

Stay still like a
statue for 20

Invent a silly
walk

Get tickled and
keep a
straight

Act like your

1. Cut out your square.

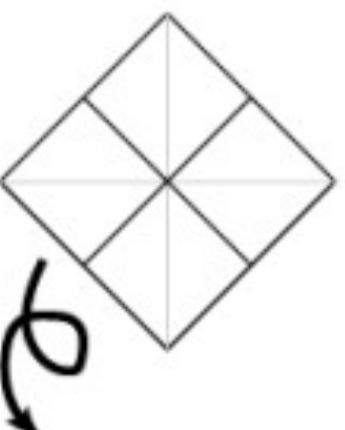

2. Fold and then re-open each diagonal as shown.

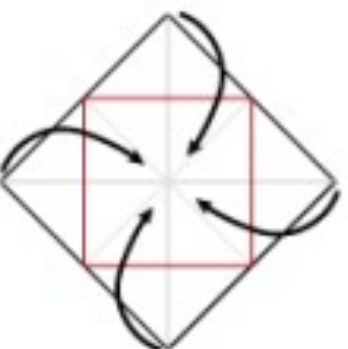

3. Fold in half vertically and then horizontally, re-opening after each fold.

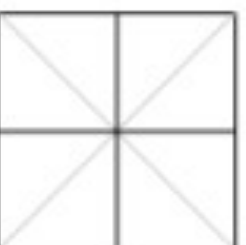

4. Fold each corner into the center (leave folded)

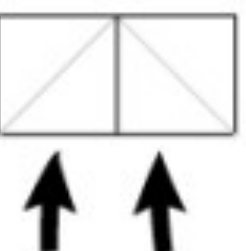

5. Flip the whole thing over.

6. Fold each corner into the middle again.

7. Fold in half towards the back (So everything that is facing up right now stays on the outside.)

8. You should now be able to put your thumbs and pointer fingers into the pockets of the device and push it all into shape.
